

The Hawaiian Ride for Youth is coming to your community

Australia's premier charity event for youth mental health, the Hawaiian Ride for Youth, is coming to your community. More than 150 inspirational Western Australians will embark on a challenging 700km journey from Albany to Perth to raise funds and awareness for Youth Focus.

Youth Focus delivers life-changing mental health services and programs at no cost to young people across Western Australia.

Communities across the South West are coming together to raise funds to support this important cause. And you can too, by donating or hosting a fundraising event to support the Hawaiian Ride for Youth. The funds raised by your community will directly benefit young people in your region.

Thank you.
